

Mini-Grant Program

Promoting positive fatherhood engagement and its benefits to children, families, and communities

FATHERHOOD ENGAGEMENT MINI-GRANT

CCFF desires to build a strong statewide network of partners committed to uplifting fathers and fatherhood. Capacity-building Mini-Grants are fundamental in building and promoting responsible fatherhood engagement across the Commonwealth of Kentucky.

Purpose of Mini-Grant

These mini-grants provide seed funding to a wide variety of community-based organizations, agencies, and community leaders by offering grants to:

- Establish or expand programs or services for fathers
- Connect fathers with essential community resources
- Increase programming capacity for fathers related to reentry, recovery, or reunification
- Inform advocacy work that will address responsible fatherhood
